

Carmen Cordless Hair Straightener

Price: €89.00

Short Description

C81165

Cordless hair straighteners designed for professional, sleek hairstyling while on the move. Benefit from quicker hairstyling with our 30-minute cordless feature, perfect for those busy mornings. Our straightener features ceramic-coated plates that safeguard your hair from excessive heat and enhance its natural shine, leaving you with a sleek, frizz-free look. With a Lithium-ion battery, ceramic-coated plates, and three temperature settings suitable for various hair types and styles, this straightener is versatile.
