

DOMO Mini-chopper

Price: €29.00

Short Description

DO9192MC
The Xpower mini-chopper by DOMO is an essential tool in every kitchen. The appliance is ideal for **chopping onions, herbs, vegetables, meat, ice cream, nuts and so much more**. Use the chopper at a higher speed to puree your preparation. Very handy for making dips! The “Xpower Quad-blade” system consists of 4 stainless steel blades. This ensures that your mixing is done very precisely and meticulously.
