

# Xiaomi Wi-Fi 6 Mesh System

Price: €79.95

## Short Description

AX3000 1 Pack

**The easy-to-use mesh set is smart and simple to install**

The Xiaomi Mesh System AX3000 (1-Pack) has 802.11ax technology on both the 2.4GHz and 5GHz bands. A combined dual-band wireless speed of up to 2976Mbps is provided by the two bands. That is almost twice as fast as a standard AC1200 router. You won't have to wait for high-speed Internet access since 1024 QAM technology is quicker than Wi-Fi 5's 256 QAM.
