

Remington Shaver

Price: €39.01

Short Description

WDF4840

Get ready for a soft, skin-loving result

Remington pay attention to what clients want, and at the top of their list is quick, immediate hair removal that won't cause skin to become red or irritated after shaving. Our cordless lady shaver has two hypoallergenic floating foils that easily follow the contours of the body to softly and effectively reach even hard-to-reach areas, giving you a very close and comfortable shave.
