

Tower Jug kettle

Price: €89.00

Short Description

Tower Jug kettle T10020

Boil your favourite hot beverages in no time with this 3kW kettle, in a contemporary black and rose gold finish. Equipped with quiet boil technology, you can boil drinks with minimal noise disruption within open living spaces.

Its 1.7 litre capacity can provide up to 7 cups from one fill, while its 360 degree base makes it suitable for both left and right handed use. The boil-dry protection and automatic cut-off safety features make this kettle reliable and practical for everyday use.
