

# Domo Egg boiler for 7 eggs

Price: €29.00

## Short Description

DO9142EK  
With the DOMO **DO9142EK egg cooker**, your eggs will be perfectly cooked in no time. **Boil 1 to 7 eggs**, however many you want to eat. You choose how hard you want them to be with the turn of a knob: from soft to hard-boiled and everything in between. Fill the water reservoir with the supplied measuring cup. An **egg piercer** has been built into the bottom of the measuring cup. Tip: Pierce a hole before you boil the eggs and they will not crack.
