

Ufesa Espresso Machine

Price: €169.00

Short Description

Palermo

Prepare your ideal coffees using the Palermo coffee maker by using **ground coffee and savoring its full flavor**. Furthermore, the **adjustable frother** allows you to froth milk for delightful cappuccinos or brew your preferred infusions.

Enjoy a consistent and continuous coffee extraction, accompanied by a thick, creamy, and long-lasting crema, all thanks to the **20-bar pressure pump**. Experience rapid coffee preparation with the Thermoblock rapid heating system, which quickly achieves the perfect temperature within seconds.
