

# Intenso M.2 SSD PCIe Premium Internal Hard Drive

Price: €39.95

## Short Description

250GB – 3835440

### **Boost the performance of your computer**

The inbuilt Intenso M.2 SSD PCIe Premium provides top-notch performance for a variety of tasks, including daily tasks, graphic/design work, and gaming. With a PCIe interface that complies with Gen3 standard, 4 lanes (PCIe Gen3 x4), and NVMe 1.3 technology, read and write rates of up to 2.100 MB/s and 1.700 MB/s, which are more than 3 to 4 times as fast as SATA-based SSDs, are possible. Your computer's performance significantly increases, the system boots up quickly, and even demanding applications may be used without any issues.

## Additional Information:

Brand:	Intenso
