

Campingaz BBQ

Price: €209.00

Short Description

Adelaide 3 Woody

The **3 Series Adelaide Woody** is a high-performance barbecue that makes light work of catering for al fresco parties for large groups of family and friends. The barbecue features 3 powerful, cast iron burners that offer strong and reliable heat. These burners are paired with a large, cast-iron cooking grid which provides superior heat retention and conducts heat evenly across its surface for perfectly cooked food every time.

For increased convenience, the **3 Series Adelaide Woody** includes Piezo ignition for easy lighting and a flat, steel lid protects the cooking surface while not in use. Two robust side tables are ideal for keeping serving plates or utensils close to hand while cooking.

The 3 Series Adelaide Woody barbecue features an attractive wooden trolley made from durable beech wood with a textile screen that shields unsightly gas cylinders from view. The trolley also incorporates two rugged wheels that make it easy to move the barbecue around the garden.
