

Lenco Turntable

Price: €329.00

Short Description

L3818BK

A superior, **professional direct-drive turntable** that is especially suitable for DJs is the Lenco L-3818BK. The direct drive, often known as “fast start,” ensures that the record starts instantly. **Stroboscope and illumination are included** on the turntable for easy operation. A variable pitch fader makes it simple to change the turntable’s speed. **You may connect the Lenco L-3818BK directly to your mixer or stereo** thanks to its integrated phono pre-amplifier.
