

DOMO Bread Maker

Price: €129.00

Short Description

B3971

Use the DOMO B3971 Breadmaker to make your own bread. Employ a ready-mix with the Quick program for a quick and simple choice, or experiment with your own baking timings and ingredients. Whatever the case, homemade bread is the best! Fruit, nuts, seeds, and other ingredients can be placed in the dispenser; they will be put to your bread at the appropriate time. Do you react negatively to gluten? Using the “gluten free” program and the recipe from the free recipe booklet to make your own gluten-free bread.
