

Lenco Turntable

Price: €269.00

Short Description

LS430BK

The **Lenco LS-430** is a turntable with built-in speakers. The four speakers (two 15 Watt speakers and two 10 Watt speakers) provide a nicely balanced sound. The turntable is easy to use. Simply plug it in and instantly enjoy your favourite LP! Alternatively, stream your playlist on your smartphone or tablet using Bluetooth® 5.0 to connect to the turntable's speakers. If you want to retreat and relax with your favourite music, simply plug in headphones.
