

Bosch Built In Fridge-Freezer

Price: €999.00

Short Description

KIN86NSF0

Fresh Sense: ideal storage climate

An optimal storage climate ensures that your food has a perfect consistency. B. not too soft or too hard. A constant temperature in the interior of the refrigerator is therefore a decisive factor for more freshness and aroma. The Fresh Sense sensors constantly monitor and control the ambient, refrigerator and freezer temperature. The result is a constant internal temperature that is independent of the outside temperature.

Warranty: 5 Years Parts & Labour

Additional Information:
