

Bissell Floor Cleaner

Price: €249.00

Short Description

SpinWave – 2240N

Tired of scrubbing your floors? Let the **BISSELL SpinWave Cordless** do it for you. The ‘electric mop’, The BISSELL SpinWave Cordless is based on a spin pad system similar to some of the most effective industrial cleaners available. Yet its **lightweight design and cordless convenience** make it perfect for everyday household use. Offering a variety of applications from scrubbing **tiles, linoleum, and vinyl to removing liquids and sticky spills**, the cordless SpinWave is suitable for all hard floor surfaces and situations
