

Remington Nano Series Nose & Ear Trimmer

Price: €24.00

Short Description

NE3850

The Remington **Nano Series Nose and Ear Trimmer** is the perfect tool to remove unwanted hair. The **anti-microbial Nano silver* housing and Active BladeClean** System make for hygienic easy maintenance, actively resisting bacteria to dramatically reduce the build-up so you can groom with peace of mind. Protect yourself from the hidden cause of skin irritation. The **dual-edged blade**, coated with comfort tip technology is angled with precision **to reach every possible stray hair** easily and the rotary trimming head allows for accessible grooming – reducing the effort of achieving the perfectly groomed look.
