

# Tower Duo Electric Salt & Pepper Mill

Price: €29.00

## Short Description

T847004B

**Dispense your salt and pepper with the two individual push buttons, housed within one sleek dual design.**

The battery operated mechanism grinds your salt and pepper to a coarse or fine seasoning using adjustable ceramic grinders. Constructed from ABS plastic, this 2-in-1 grinder features chrome plated accents to add a stylish touch surrounding the transparent viewing window so you can delve the ideal time to refill. Requires 6 x AA batteries (not included) to begin operation.

- Stylish Chrome plated decorative parts
- Two individual push buttons to grind salt or pepper
- Easy to fill clear acrylic chambers with large capacity
- Adjustable ceramic grinders from coarse to fine
