

# Tower Corded Vacuum Cleaner

Price: €79.00

## Short Description

### 3-in-1 T115000

The Tower 3-in-1 corded vacuum cleaner comes with a 600W motor and cyclonic technology to create a deep and thorough cleaning performance around your home.

Weighing only 1.9kg and featuring a long upright stick cleaner that easily cleans around furniture and high surfaces, with a compact and detachable handheld that provides a more compact and lightweight performance between hard-to-reach areas, thanks to the included crevice tool and brush head attachments.
