

Ufesa Espresso Machine

Price: €149.00

Short Description

CE7238
The **C7238 CREAM Coffee Maker** features a **20-bar pressure pump** to ensure constant, continuous coffee extraction. This means thicker, dense and long-lasting creamy textures. Compact and elegant to add a **touch of distinction, as well as an outstanding coffee**. Its body is made for easy cleaning, keeping it just like it was on the first day.
