

# Laica HydroSmart Water Tap Filter

Price: €19.99

## Short Description

FR01A01

**The filter device is easy to assemble and adapts to the most common taps found inside homes.** Thanks to the HYDROSMART™ technology, filtration occurs instantly and effectively thanks to the hollow fiber membrane and the activated carbon inside the filter. The HYDROSMART™ filter is 100% Made in Italy and has a duration of 900 L equal to 3 months of filtered water. The LAICA HYDROSMART™ tap filter retains \* the mineral salts and effectively reduces.
