Save time and effort

Featuring a handy 2.1 litre processing bowl, 1.2 litre blender and a wide variety of attachments, the Multiport Compact makes chopping, grating, whisking and grinding quick and simple. Its compact size makes it ideal for smaller quantities.

Everyday provision

Multi pro Compact is a great all-rounder that offers performance, versatility and style. The 800W motor and variable speed dial with pulse will give you total control, ensuring you achieve your desired results every time. To make things even easier for you, both the bowl and blender are run from the same base, saving space on the worktop.

A world of possibilities

This food processor comes with a wide variety of attachments to help you create an array of dishes. The attachments enable you to chop onions and meat for tasty casseroles and slice and grate vegetables for salads.
