

# Domo Kitchen Machine

Price: €99.00

## Short Description

DO9241KR

The **DOMO DO9241KR food processor** helps you easily make a delicious cake or pancake batter. And all without causing a stir in the kitchen. Depending on the preparation, choose one of the three accessories: **beater, dough hook, or balloon whisk**. The **600 W motor** ensures that the preparation is mixed into an even mass in the **4-litre mixing bowl**. Did you forget to add something while mixing? Don't panic! You can easily add more ingredients via the filling opening of the transparent, anti-spatter lid.
