

# Aqua Optima Water Jug

Price: €12.99

## Short Description

LISCIA  
Aqua Optima Liscia Jug is a convenient and practical solution for your hydration needs. With a generous capacity of 2.5 liters, it easily fits in your fridge door and features an easy-fill lid. The jug is accompanied by Aqua Optima Evolve+ filters, which are compatible with all Oval shaped filters. Utilizing a patented filtration system, these filters effectively reduce impurities such as microplastics, chlorine, and limescale from tap water. As a result, you can enjoy better-tasting hot and cold drinks while also prolonging the lifespan of your appliances.
