
Xiaomi Robot Vacuum Cleaner

Price: €169.00

Short Description

E10

Enjoy superior performance with high-quality components with the **Mi Vacuum E10**. In fact, it has an extremely flexible and robust side brush, a rubber main brush and triple filtration to prevent dust from flying around. What's more, with a 400 ml dust container and 200 ml water tank, you're sure to be able to clean your entire interior. With 4000 Pa of power, it's ideal for picking up all types of dust, crumbs, hairs and much more, all in a single pass.
