

# Domo Semi-Professional Espresso Machine

Price: €418.99

## Short Description

DO720K  
Domo Semi-professional Espresso Machine  
Blending a genuine, sturdy design with cutting-edge coffee-brewing technology, this bean-to-cup machine produces impeccable **espresso, lungo, or cappuccino**. The intelligent PID temperature control guarantees precision in extraction temperature, ensuring the perfect brew. Rapid heating and temperature maintenance, even after multiple cups, are facilitated by the thermoblock system. Achieve velvety-soft milk foam with the professional steam nozzle, ideal for crafting intricate latte art.
