

Babyliss Hot Air Hair Brush - AS952E

Price: €64.99

Short Description

Babyliss Hot Air Hair Brush – AS952E

Achieve frizz-free hair with greater volume with the BaByliss AS952E Hair Dual's ionic technology. This is due to the fact that this technology causes the hair scales to close and your hair to become less frizzy. This curling brush's bristles are comprised of soft boar hair. As a result, this curling brush can be used to style thin or damaged hair as well.
