Price: €39.00

## Short Description

DO9133W

Larger waffles in the utmost compact device!

With this DOMO XL waffle iron, you can make extra large waffles. The waffles are 35% larger than a normal waffle. The appliance is very easy to use and maintain. It is possible to set the waffle iron upright for storage. The indicator lights, on/off and ready for use, let you know when the appliance is ready for use. The baking plates are non-stick and the housing remains cool to the touch.
