Short Description

Jade Roller and Gua Sha Massage Tool – C301ABE101

The use of a jade roller and a Gua Sha massage tool can help reduce facial puffiness, fine lines, wrinkles, and dark circles around the eyes. They tighten the muscles in the face and empty the lymph nodes.

Reduces stress and tension while also increasing skin suppleness for a more natural shine. Ideal for ensuring optimal absorption of serums and creams on the skin. The double-headed roller is for the face, head, neck, arms, and legs, while the small roller is for the areas around the nose, eyes, and lips.

Gua Sha is a tool that is used to massage the facial muscles, jawline, back, nape, and feet.
