

# Bells Built-in Hood

Price: €449.00

## Short Description

52cm – BLOCK Lux

The BLOCK built-in hood by Bells adapts to wall units of various sizes thanks to its compact design and easy-to-install structure. The Drydrop system is designed to eliminate condensation and prevent water droplets from falling off the hood, making it an ideal solution for use with induction hobs. Say goodbye to unwanted moisture and enjoy a seamless cooking experience with this innovative technology.
