

Beko Built in Oven

Price: €499.00

Short Description

BIS14300BCS

Steam Assisted Cooking

Softer and more golden-baked specialties. Homemade cakes are better but making them soft and golden is not that simple. Steam Aid blows steam into the oven cavity when baking bread and cakes, making them fragrant on the outside and fluffy and fluffy on the inside. You can say goodbye to chewy bread and stringy cakes.

Warranty 3 years Parts & Labour
