

Ufesa Toaster

Price: €39.00

Short Description

TT7375
The TT7375 2-slot toaster with a power **output of 1400W** allows you to toast and defrost various bread types, as it comes equipped with adjustable wide slots suitable for both thick and thin slices. With a **7-position toasting selector**, you have the flexibility to choose your desired level of toasting. Cleaning the toaster is effortless due to its **removable crumb tray**.
