
Ariete Electric Ventilated Oven

Price: €169.00

Short Description

0986
This 45-liter oven has six cooking settings, a temperature selector that can go up to 230°C, a timer that can be set for up to 60 minutes, and a fan-assisted feature for simultaneous cooking of multiple foods.
It is a must-have kitchen device because of the rotisserie feature for cooking chicken and the interior light for observing the cooking process.
