

# Alecto Remote Controlled Outdoor Wi-Fi camera

Price: €139.00

## Short Description

DVC266IP

Monitor your home with the **Alecto DVC266IP** WiFi outdoor camera with a remotely movable camera. Thanks to the excellent HD image and sound quality (1920 x 1080 px) it makes very sharp camera images. The Wifi camera has infrared lighting which allows you to see well even when it is dark at an exceptionally long range of 12 meters.
