

# Laica Steel Filter Bottle

Price: €19.99

## Short Description

BR70A01

With the MyLAICA steel filter bottle, always having good tasting water available is easy and fun. Fill the body of the bottle, screw the cap on, and drink whenever and wherever you want. Thanks to the FAST DISK™ filter, the water is filtered instantly, reducing chlorine and keeping the mineral salts useful to the body naturally present in the mains water. The FAST DISK™ filter has a duration of 120 L equal to 1 month of filtered water.

### Steel filter bottle

- Rapid hydration
- Practical and impact resistant
- Hermetic closure
- Convenient to carry
