

Laica Venezia Water Tap Filter

Price: €45.01

Short Description

LRK50A01

The Venezia tap filter has three adjustable functions. Thanks to the HYDROSMART™ technology, filtration occurs instantly and effectively thanks to the hollow fiber membrane and the activated carbon inside the filter.

The HYDROSMART™ filter is 100% Made in Italy and has a duration of 900 L equal to 3 months of filtered water.

- Safe and easy to assemble tap filter
- Compatible with a standard tap on the market and in homes
- Instant filtration
- Membrane filter of hollow fibers and activated carbon
