

Tower Jug Kettle

Price: €68.99

Short Description

T10039

Housed within a sparkling black coating, this 3kW kettle brews hot water more efficiently, whilst making for an eye-catching piece on your kitchen countertop. The 1.7 litre capacity makes up to 7 cups from a singular fill, with a water level indicator window so you can view the contents of your kettle. Constructed from durable stainless steel with an eye-catching black glitz colour coating and chrome 360 degree coated base for both left and right-handed use. The automatic shut-off and boil dry protection features maintain reliable operation during use.
