

# Domo Food Slicer

Price: €55.00

## Short Description

**MS171**  
DOMO's MS171 food slicer is a versatile, straightforward slicing device. It simplifies the process of cutting bread, vegetables, meat, and cheese to your desired thickness, with the ability to adjust thickness up to 15 mm. The slicer features a 17 cm stainless steel blade with a slight serration, and it includes a safety switch for added security.  
**Warranty:** 2 Years Parts & Labour
