

Domo Kitchen Machine

Price: €199.00

Short Description

DO9145KR

The DOMO appliance is not just an ordinary food processor; it offers versatility with its various accessories such as the beater, dough hook, stainless steel balloon whisk, vegetable slicer, and blender. Its stainless steel mixing bowl can hold up to 4.5 liters. The transparent anti-splash lid has a convenient opening for adding ingredients while mixing or beating. You can easily adjust the speed using the practical knob. With its planetary movement, this food processor ensures consistent and excellent mixing performance.
