FRESHCARE +

Keep your clothes fresh for up to 6 hours after the end of the washing program. The innovative FreshCare + system takes care of your clothes in the dryer thanks to intelligent control of delicate temperatures and a gentle oscillation action that keeps the clothes fresh and prevents the formation of bad smells. The FreshCare + treatment leaves clothes really fresh even hours after the end of the wash, and inhibits the proliferation of bad smells up to 6 hours after the end of the drying cycle. It is not compatible with programs designed for delicate garments
