

# Singer Garment Steamer

Price: €139.00

## Short Description

Steamworks Classic 2.0  
The SINGER SteamWorks Pro steamer heats up in just 45 seconds to provide 90 minutes of steady steam output to remove stubborn wrinkles from even the most difficult fabrics. The 360-degree collapsible rotating hanger and adjustable telescopic pole add extra convenience for use and storage. The SMART Auto-Off feature allows the unit to automatically shuts off once the water tank is empty, making the entire product perfectly safe to use.
