

# Tower Cordless Steam Iron

Price: €49.01

## Short Description

T22008

Whether you **enjoy the freedom of cordless ironing** or prefer the corded operation from a suitable power outlet point, this 2-in-1 steam iron provides you with the operation to use it both ways. Contributing a powerful performance thanks to its 2400W output, this iron **heats up in less than 30 seconds** and provides a **120g/minute steam output and a 150g/minute steam shot** to target and eliminate stubborn creases.
