## Short Description

DO7057S  
When you're on a trip, it can be really frustrating to find your clothes all wrinkled when you take them out of your suitcase. That's where **DOMO's DO7057S** clothes steamer comes in handy. It's perfect for getting rid of wrinkles and giving your **clothes, curtains, and other fabrics a fresh look**. The best part is, you don't even need an ironing board to use it. Another great benefit of this steamer is that it effectively eliminates bacteria and dust mites from all types of fabrics.
