Short Description

ST596E

BaByliss – Steam Luxe Lustre Styler ST596E

This steam straightener has a high-gloss finish and works effectively on hair without causing any harm. It uses steam to penetrate the hair while its Advanced Ceramics™ heating system allows for quick heat recovery. The result is smooth, shiny hair after every use. It has wide straightening plates, making it ideal for longer and thicker hair, and it also comes with detachable styling combs to make styling effortless.
