

Esistyle Built-in Hood

Price: €449.00

Short Description

Brick Dripless S 56 A IX

A patented technology leverages the **design, form, and user-friendliness** of the product to achieve outstanding results, addressing condensation issues in the kitchen. The innovative design includes **Baffle Filters angled at 25°**, setting the integrated model unique in the market. This unique feature ensures that all condensation droplets are directed into a removable tray, facilitated by the elongated and slanted walls that create a powerful “hood effect” similar to those found in commercial catering systems. This design enhancement significantly enhances the capability to **capture fumes and vapors**, all neatly contained within a wall unit.

Additional Information:

Brand:	Esistyle
Air-Flow:	409 (m ³ /h)
Noise Level:	46 – 66 dB(A)
Lighting:	LED Bar 1 x 3,4W
Controls:	Backlit Push Button 3+i
Hood Type:	Suction / Filtering
Dimensions:	(WxHxD) 563 x 241 x 295 mm
Installation Type:	Built-in
Warranty:	Parts – 2 years & Labor – 2 years
