

TP-Link Wireless Router 300mbps

Price: €79.90

Short Description

TL-MR6400

High-Speed Dual Band Wi-Fi for Better Connections

Elevate your PC or laptop connectivity with the Archer C50, which utilizes Wireless AC technology to achieve significantly faster connections than Wireless N. Offering speeds of 300Mbps on the 2.4GHz band and 867Mbps on the clear 5GHz band, the Archer C50 stands as the optimal selection for uninterrupted HD streaming, online gaming, and bandwidth-demanding activities.
