

Beper Stacking Kit

Price: €99.00

Short Description

C206UTI005

The Beper metal stacking kit for washers and dryers is a pre-assembled solution that can be quickly installed. It is compatible with all front-loading dryers that have a maximum width of 60 cm and a depth ranging from 45-60 cm. The kit features a convenient pull-out wooden tray for easy loading, unloading, and folding of laundry. It includes anti-slip stickers and a 6m safety strap to securely attach the appliances. The kit has a maximum capacity of 200 kg, while the pull-out tray can support up to 15 kg.
