

# Domo Kitchen Machine

Price: €219.00

## Short Description

DO9182KR

This versatile food processor can handle a wide range of preparation tasks. The 4.5-liter mixing bowl, made of brushed stainless steel, features a transparent anti-splash lid with a convenient fill opening. This design allows you to add ingredients while blending without any hassle. Moreover, the mixing bowl includes a practical handle, simplifying the attachment process.
