

Bissell CrossWave Surface Cleaner

Price: €299.00

Short Description

22034
The BISSELL CrossWave multifunctional floor cleaner was especially designed for our increasingly busy lives. The CrossWave vacuums, washes and dries your floor in one step: whether it is a sealed floor, a tiled one or a carpet! CrossWave does all three steps at the same time. The unique brush scrubs and removes dirt from the floor for a deeper clean, and does not let dirty water return to where it was collected.
