

BiOHY 1LT Robot Detergent

Price: €15.00

Short Description

The **delightfully scented concentration** is a water-soluble polymer-based liquid maintenance and

wiping care product.
All water-resistant floors, such as **B. tiles, PVC, laminate, parquet, linoleum, and so on**, should be cleaned with the floor cleaner for wiping robots. The concentrate provides a **2-in-1 impact** as a **floor care solution**, cleaning and caring for the floor in just one step, **saving time and energy**.
