

Domo Digital food dryer

Price: €149.00

Short Description

DO353VD
Together with the food dehydrator DO353VD from DOMO, you lift your cooking skills to a higher level. Make delicacies such as vegetable chips, dried fruit, or sundried tomatoes. The temperature and timer can be set by the digital control panel. The “advanced dry technology” provides a vertical stream of air, which guarantees the best drying result.
