

Domo Toaster

Price: €24.99

Short Description

DO941T

The Domo B-Smart toaster has 3 function knobs: **reheat, thaw and cancel**. Select the degree of toasting for your slice of bread with the adjustable thermostat. The toasted bread pops up automatically once the set toasting time has elapsed. The toaster is easy to clean thanks to the handy removable crumb tray. The sleek black design of this toaster is applied throughout the entire B-Smart series.
